TAFT RALLY IS PROPOSED

A meeting of the executive com-
mittee of the Republican club, first pre-
cinct, fourth district, was held at the
house of the president, A. P. Clark,
Kaimuki, last night to organize the
committee and fill vacancies caused
by the failure of the club to elect a
treasurer and two judges of election.
B. A. Douthitt was on motion elected
chairman of the committee.

C. N. Marquez was elected treasurer
of the club. J. H. Fiddes and Henry
Aylett were elected judges of elec-
tion.

The chairman was elected a com-
mittee of one to see the Territorial
Central Committee executive about
the framing of a rule to prevent vot-
ers from being active in both Repub-
lican and Democratic clubs. Several
instances of such duplicity were cited.
In this connection it was recommend-
ed that the club have an enrollment
committee and revision of its roll.

A suggestion originating with A. D.
Castro was brought up, to hold a
Taft ratification rally, with delegates
to the national convention and others
as speakers. The president and the
chairman were authorized to confer
with the like officers of other clubs
on the matter.

Rice Declines.
Charles A. Rice of Kaula yester-
day wiredless to friends in town that
he will not stand as Republican candi-
date for Delegate to Congress. In
their offer of the candidacy to him, in
opposition to Delegate Kalaniana'ole,
he was informed that there was a
compact between the Delegate and R.
W. Shingle that Shingle would sup-
port Kalaniana'ole this year and he
would support Shingle for the dele-
gateship two years hence.

Makako Combination.
It is reported that Joel Cohen, J. C.
Quinn and C. G. Bartlett have joined
hands to secure the thirty delegates
from the Kakaako section, sixth and
seventh precincts of the fourth, in
support of Cohen for Senator and his
partners for supervisors.

ASSOCIATED OIL TO GET PIPE LINE

The Board of Harbor Commission-
ers yesterday tentatively decided that
the only solution of the \$30,000 fuel
oil pipe line puzzle is to assign it to
the use of the Associated Oil Com-
pany of California, which at present
has almost a monopoly on the supply
of fuel oil to steamship lines hand-
ling cargoes at this port.

The line, originally planned to be
used by all the oil companies in com-
mon, has threatened to become a
"white elephant" on the harbor com-
mission's hands because the com-
panies declined to use it together.
Their opinion on the subject was not
consulted until after all plans had
been completed, the contract let and
materials ordered for its construction,
and the commission could not stop
the wheels it had set in motion.

Such other concerns as supply fuel
to ships must continue to furnish the
oil by methods at present in use, so
that the pipe line to all practical in-
tents and purposes belongs to the As-
sociated Oil Company. It is possible
that the company will not even be
compelled to pay for a lease, as it is
feared that would place it entirely
under the control of the using com-
pany. The Associated Oil Company is
preparing to erect a powerful pump-
ing plant if it gets the privilege of the
line.
